

Eddy's Version. Wouldn't it be lovely

All we want is a hog to roast

It's a gas with some beans on toast

It's got to be the most

Oh, wouldn't it be lovely!

Lots of spuds sitting on our plate

We don't care if we put on weight

Big tum, fat bum, inflate.

Oh, wouldn't it be lovely.

Oh, so lovely sitting pretty with so much to spare.

We would never share a thing

It's family first so there!

All we want is a saucy dish

Close your eyes you can make a wish

Big tum, fat bum, fried fish

Oh, wouldn't it be lovely

Lovely, lovely, lovely, lovely.
