

## Always look on the bright side of life.

*When life's treating you bad and you've got no Galahad*

*It really makes your blood cells boil.*

*You've got to break away your chains, cast away all your pains*

*And walk away with pride from this turmoil*

*and always look on the bright side of life*

*Always look on the light side of life*

*If life is Johnny Rotten, don't wrap yourself in cotton*

*Just take a stance, n' merry dance and sing*

*When you're reeling on the ropes, losing all your hopes*

*Just metamorphose yourself and wear a string.*

*and always look on the bright side of life*

*Come on, always look on the bright side of life*

*Fraxinello didn't know that he's your Romeo*

*And he will not forget, you're Juliette*

*Just show him who you are, n' be his guiding star*

*And you will be so happy that's for sure*

*So never walk on the dark side of life*

*Fill yourself with love, not trouble n' strife*

*Life is there to take, it's a piece of cake*

*If you laugh the whole world laughs with you*

*Mortadella is no more it's a better world for sure*

*Tarantello has a lot to answer for*
