

Fever

*Never knew how much you love me.
Never knew how much you care
When I put my arms around you,
Oh, you'll get a fever that's so hard to bear
I give you fever...mm when I kiss you
Fever when I hold you tight
Fever in the mornin' A fever all through the night*

*Feast your eyes upon me
You'll be mine tonight*

*You can't run from this lovin' game
Let go it's gonna be our night*

I give you fever... when I kiss you

Fever when I hold you tight

*Fever in the mornin'
A fever all through the night*

*Everybody's got the fever
That is somethin' you should know
Fever isn't such a new thing
Fever started long time ago.*
