

Big spender. Shirley Bassey

*Whenever I see what I want
I'm selecting for some evil extinction
A true tormentor
So cunning, not so kind.
Wouldn't you like to have this woman, blowing your
mind?*

*So if you think I am the one to give you all the things
that you think you deserve
Mortadella!
All you have to do is serve!*

*Wouldn't you like to serve me, me, me?
What do you think about fear, fear?
I can seem to be sincere
but I can tell you I'm severe!*

*Whenever I feel like some fun
I like to do it with a certain distinction
A real tormentor!
So cunning, not so kind
I know you'd love to know what's going on in my
mind?*

*So let me just put you at ease
to give you all the things that you think you deserve.
Mortadella!
Mortadella!
Mortadella!
All you have to do is serve!*
